

Name: Gillian Sant
Support Staff Governor

Hi, my name is Gillian Sant and my role at Vernon Park is Teaching / Mid-Day Assistant, supporting children (and their teachers) in both Key Stage 2 and the Speech and Language Unit. I am also a member of the 'Friends of Vernon Park', which is a group of parents and staff working together to raise funds to benefit the pupils in the school.

I began working at Vernon Park in September 2011, having previously spent 20 years at North Reddish Junior School, initially as a Teaching Assistant, and in later years the Learning Mentor, before the school sadly closed. During my time at North Reddish, I also completed a four year term as a Parent Governor.

Away from school, I am married to Barrie and the mother of two grown up children, Rachel and Stuart. In my spare time I enjoy researching my family tree and gardening (but only when the weather is good!). I am also a big supporter of our local football team Stockport County, having been a season ticket holder for many years and enjoying following them to many away games.

In my role as Support Staff Representative Governor I hope that I can use my experience of being both a parent whose children have successfully navigated the Stockport Education experience, and also a long term employee of the Stockport Education system, to help Vernon Park Primary School maintain the high standards of both behaviour and academic success strived for by all the staff.
