**Ann Coffey MP**  
**Member of Parliament for Stockport**  
**Tel: 0161 483 2600**

15 January 2019

Dear Mrs Lee

I would like to congratulate the staff and pupils at Vernon Park on the Key Stage 2 results published in December 2018. I was delighted to see that 78% of your pupils achieved the expected standard in reading, writing and mathematics last year, compared to 66% the year before.

Half of all primary schools in Stockport constituency saw an increase in attainment in 2018, while the national average increased from 61% to 64%. The increase of 12% is a credit to the hard work of teachers and support staff supporting pupils all year round to achieve these results. Thank you to you and your team for continuing to provide this support.

Please keep me updated with any new projects or opportunities at Vernon Park. I enjoy hearing about what is happening in local schools and having the chance to listen to the concerns of pupils.

Yours sincerely,

**ANN COFFEY MP**
