

Christmas Cards 2019

The children are currently working hard on designing creative Christmas Cards for you to buy and send to your family and friends for Christmas 2019.

We will shortly be sending the designs home for you to have a look at. If you are happy with the design simply purchase online:-
cards/mugs/wrapping paper/gift labels or, new for this year, a Value Pack.

The website details and your child's unique code are on the order form sent home with your child's design.

Once you have ordered and paid for any purchases online, simply return the form and artwork back to school as soon as possible after ordering. Please remember to do this as, we need to send the artwork to Cauliflower Cards in order for them to return the orders back to school.
