

#LookForABook

Would you like to go hunting for a FREE book?
One Education have launched a book hunt across
manchester and in your local area.

There are many books, that have been donated by [@Petersbooks](#),
hidden in secret locations across our great city.

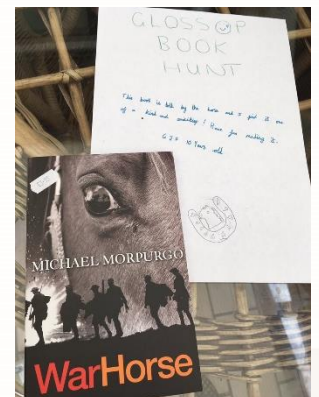

Once you find one, it is yours to take away and enjoy reading it. Or
you can pass it on to one of your friends or family for them to enjoy.
Once you have read it, hide it in another location for someone else to
find.

Why not tell everyone about it and spread the love of reading. Please
ask your teachers or parents to take a picture of your book and tweet
us using the hastags [#bookhunt](#) [#LookForABook](#) [#LitConf19](#) and tag
[@OESchoolDevelop](#) on Twitter. You could also share a review of the
book when you have finished.

Who will be the first?

Parent and teachers

Watch out on social media for clues as to where the books are hidden
and in the mean time why not check out our Literacy Conference coming
up on Wednesday 9th October 2019
on our website www.oneeducation.co.uk
