**Oliver's Chocolate Parties
Educational Experience**

10th October 2019

Dear Parents / Carers

Some of you may already know that we have won an 'Educational Experience' from Oliver's Chocolate Parties. The experience will start on Wednesday 13th November with an assembly inspiring children to be creative. There will be an explanation of how chocolate is made from the cocoa bean, the history of chocolate and the science of chocolate making. There will also be a chocolate making session for each class, with chocolate goodies which children will be able to bring home. The day will be filmed for marketing, entertainment and educational purposes.

Please complete and return the attached form indicating whether you would like your child to take part, whether they have any allergies and whether you agree to your child being filmed.

Kind regards

Claire Lee
