## VACANCIES FOR TWO PARENT GOVERNORS & FOUR CO-OPTED GOVERNORS

### **You could you make a positive contribution to a local primary school**

Being a School Governor is a rewarding way of making a voluntary contribution to the lives of local young people and their families. Vernon Park Primary School, Stockport is looking for new governors to join our team.

We would be delighted to hear from anyone who has:

- an interest in the learning experience of children at the school
- an interest in the whole school community incorporating pupils, staff and parents
- an open and enquiring mind and the ability to look at issues objectively
- the confidence to ask questions and offer new ideas
- a willingness to listen and make informed judgements
- the ability to work well with others
- the ability to bring your own unique and valuable skills
- some time to spare - typically three full Governing Board meetings per year, usually held at 5pm on Mondays, as well as usually joining a sub-committee depending on your interest and particular experience - ours are:  
Wellbeing, Monitoring, Teaching and Learning, and Resources

Being a Governor is enjoyable, stimulating and rewarding. Governors work with the school's Senior Leadership Team to set and maintain the culture, values and budgets.

If you are interested, or for further information please leave your contact information at the school office located at Peak Street, SK1 2NF or call on 0161 480 4378, to pass on to our board leadership.

Additionally, if you would like to attend a 'taster' Governor meeting to understand a little more of what happens in Governing Board meetings and the role and responsibilities, do let the school know and they will be happy to accommodate.

All new Governors will be required to complete Safeguarding checks.

We look forward to hearing from you.
