

SATS Booster Sessions: January - May 2024

Dear Parent/Carers,

As part of our preparation for end of KS2 National tests (SATs), we will be offering extra small-group support to our Year 6 cohort for Maths and English. This is in addition to the lessons that they will be having in school in order to give them the best possible opportunity for success in these assessments.

Maths booster classes will take place after school on Tuesdays and English on Thursdays, both for 45 minutes. These will commence immediately after the school day and will finish at 4:00pm. Children should be collected from the playground, unless written permission is given for them to walk home or they are booked in to attend After School Club.

These booster sessions are provided free of charge. Regular attendance is essential for your child to benefit from these sessions. If for any reason you do not wish for your child to attend, please let us know.

Booster sessions will begin on Tuesday 16th January - please return the permission slip by this date. They will take place every Tuesday and Thursday during term time until SATS week, unless stated below. There will be 12 sessions for both Maths and Grammar, running until the week before SATS, which start on Monday 13th May 2024.

Boosters will **not** run on the following dates:

- Tuesday 20.2.24
- Tuesday 19.3.24
- Thursday 21.3.24
- Thursday 28.3.24

Kind regards,

UKS2 Team
