

Dear Parent/Carer

In September 2015 School began advising families if their child's attendance fell below 95%. (Government Guidelines).

We will continue to do so via a **text message** on a regular basis. The table below is a guide, which illustrates the impact attendance has on lost learning time.

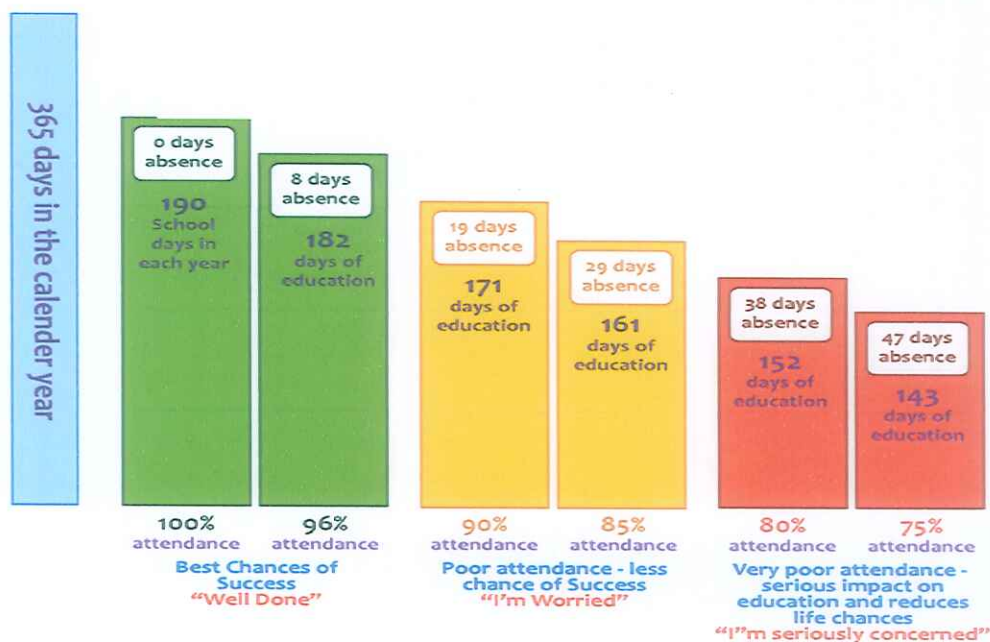

We do understand that some children cannot attend school every day for many reasons, but we feel it is a positive step to keep you informed about your child's attendance.

If there is anything you wish to discuss please do not hesitate to speak to a member of staff.

Thank you for your support.

## Good Attendance Means...

being in school at least 96% of the time. This means 8 Days Off!

Yours sincerely
