## Year 5 / 6 - Ancient Greece Topic Launch Day

Dear Parents / Carers

We are welcoming the children back into their learning with an Ancient Greece Topic Launch Day on Tuesday 8<sup>th</sup> September 2020.

As part of this day, we will be creating a Greek meze menu for the children to make and share. We are asking for a £1 voluntary contribution towards the cost of ingredients which can be paid online via school money.

If your child has any allergies, please ensure their medical form is up to date and also speak to your Class Teacher to discuss alternatives.

Many thanks!
