

Parent Information regarding UKS2 SATs 2022

Dear Y6 Parents

Next week, Monday 9th May, Statutory Testing (SATs) will begin for pupils in Y6.

The children have all worked extremely hard this year and are well-prepared for these tests. Some anxiety or nerves is normal, but please reassure your child that doing their best is all that counts! If you have any concerns, please contact your child's class teacher via Class Dojo.

All tests are held during the school day, within the school building. Children will be split into 5 different classroom / work spaces to complete the different tests. The children will complete six different tests: Grammar, Spelling, Reading, Maths Arithmetic and two Maths Reasoning.

We follow the scheduled timetable prepared by the DfE:

Monday 9 th May	English Grammar English Spelling
Tuesday 10 th May	English Reading
Wednesday 11 th May	Maths Arithmetic Maths Reasoning
Thursday 12 th May	Maths Reasoning

All Y6 children will participate in SATS, unless you have been informed otherwise by the school.

Testing is in the morning. The children will then continue with their normal school days. Uniform or PE kit (day dependent) should be worn as usual. Children do not require any equipment as school will provide everything they will need to use.

It is very important that all children arrive to school punctually: in order to further support Y6, school will be offering a free breakfast club place to all children taking SATs on the four testing days. This does not need to be booked. We will be offering toast and juice to all children in Y6 from 8am until 8.30am Monday 9th-Thursday 12th May.

We hope this information has been useful but if you have questions regarding the administering of the SATs tests, please contact your child's class teacher, the Head Teacher or Deputy Head or Mrs Bommer, Pastoral Manager, via Class Dojo or by ringing the school office.

Thank you,
UKS2 Team
